

## Training Notice

Bangladesh Training and Research Foundation (BTRF) is offering three days long customized training on Community Mobilization and Community Engagement. If you would like members of your officials to attend, please contact with us through email ([achandra@bangladesh-ccp.org](mailto:achandra@bangladesh-ccp.org)) or by phone (+88011776-904199). We will customize the training sessions as per your organization's requirements.

This training course is open to all development professionals specially for the development program personnel of mid to senior levels.

Participants in the training will–

- Gain and understand ideas about community mobilization
- Strategizing the implementation of community mobilization activities
- Community engagement and participation
- Target audience analysis
- Interpersonal Communication and Counselling
- Planning and conduction of group meeting
- Best Practice and Success Stories of the Community Mobilization Interventions in Bangladesh.

Each attendee will receive a notebook of materials, handouts and other training materials etc.

The “Community Mobilization and Community Engagement” training will be conducted by highly skilled facilitators whose have more than 25 years of professional experiences and trainings. Please note participants will be given adequate class time to practice the skills taught.

We have confidence this consultant-led training will deliver the results it promises. For more details, please contact us.

Regards,  
Bangladesh Training and Research Foundation (BTRF)
