

## Upcoming Training Notice

Bangladesh Training and Research Foundation (BTRF) is a sister concern of Bangladesh Center for Communication Programs (BCCP). We are delighted to inform you that four new courses will be on offer soon. All training courses will be conducted by highly skilled facilitators who have more than 25 years of professional experience and trainings. Please note participants will be given adequate class time to practice the skills taught.

### Upcoming Offline Course:

- Three Day Long Training Course on Interpersonal Communication and Psychosocial Counseling
- Three Day Long Training Course on Community Mobilization and Community Engagement

The offline training courses will take place at Bangladesh Training and Research Foundation (BTRF), House# 08, Road# 03, Block-A, Mirpur-11, Dhaka-1216, Bangladesh. You are invited to attend the training courses.

### Upcoming Online Courses:

- Cyber Security Foundation Program (Course Duration: 45 Hours)
- IOT Foundation Course (Course Duration: 45 Hours)

The training course will take place online. The training course will jointly offer by BTRF, SkillsDA and Neoliva Skills Development Center. A global recognized certificate will be awarded to successful participants.

If you would like members of your officials to attend, please contact with us through email ([achandra@bangladesh-ccp.org](mailto:achandra@bangladesh-ccp.org)) or by phone (+88011776-904199). We will customize the training sessions as per your organization's requirements.

Regards,  
Bangladesh Training and Research Foundation (BTRF)
